Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our courses focus on the five aspects of development, i.e. moral, intellectual, physical, social and aesthetic, as well as developing the ability of children comprehensively and equally. The courses covered basic knowledge and concepts to cultivate positive values and attitude; We also focus on learning of English and Putonghua as well as encouraging reading to enhance studying ability; We encourage doing exercise and having balanced diet to cultivate good living habits and promote growing up healthily.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We mainly adopt the thematic approach for teaching, supplemented by games and activities to enhance exploring spirit, cultivate studying ability, exert creativity and imagination, as well as inspire potential. We provide small class lectures, teachers know the learning progress of students and take care of their studying differences timely.</p>	
Assessment of children's learning experiences	
<p>We use multiple ways to assess the individual learning progress of students, so as to teach according to their abilities.</p>
