Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Themes are designed with various teaching approaches. - All-language as approach of the curriculum. - To promote the reading culture. - Native-speaking teachers are arranged in interest activities for children. - Physical fitness and artistic development are emphasized.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Activity-based, project-based and integrated story-based approaches are adopted. Exploration is emphasized, and extended activities are designed according to the theme of development, so that children foster good habits, understand things around them and develop perception through all kinds of life experiences, sensory touch, site visits, friendly visits and observation. Various interest activities are organized to stimulate children to bring into play their potentials.</p>	
Assessment of children's learning experiences	
<p>Children's performance is evaluated by way of ongoing observation.</p>
