Curriculum Details

Curriculum type : Local

Curriculum planning

Christianity-based and child-centred: bi-literacy and tri-lingualism are emphasized, life education elements are integrated through themes and project-based teaching to expand learning experiences in 6 key learning areas, guide children learn through games and experience through practise.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

Children's learning experiences are expanded through multi-media learning platform. Their scope of learning is broadened through topic studies, their problem-solving ability is enhanced and accurate values are developed through explorations. Outdoor visits, simulation activities, group experiments, English week, Putonghua week are arranged to provide all-round learning.

Assessment of children's learning experiences

Ongoing observation reports are distributed, a profile on the journey of learning is kept; observation and record of children's development.

School Characteristics

School vision and mission

Based on the belief of 'start children off on the way they should go, and even when they are old they will not turn from it', we endeavor to foster in children the character of purity, integrity with love for the self and others. Children are stimulated to bring into play their inborn potentials, lay the foundation for life learning and develop the ability to face the challenges in personal development.

Support to students

Parent-child game groups for new students, parents seminars and new-comers adaptation period before the commencement of the school years, parents seminars on Primary one, visits to primary schools and imitation P.1 activities for K3 students. the social workers of YMCA also and provide seminar, groups and referral service to parents in need. Our nurse provides body checkups and consultation to students and health reports are distributed. Our benevolence subsidy which cooperates with community organizations promotes children's development

Support to non-Chinese speaking (NCS) students

Appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; create an enriched language environment for mastery of the Chinese language.

Support to students with special needs

There are in-school rehabilitation services cooperated with the Heep Hong Society, in terms of individual and group trainings, for students with special education needs.

Link with parents

Parent-teacher association : No

Other activities / communication with parents

We have good communication with parents through parent-child activities, parents' day, seminars and fellowships etc. Parents can learn more about our mission through our school activities and volunteering.
