Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Our integrated, child-centered curriculum helps children develop self-learning ability and good learning attitudes and character.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
1. Project Approach – To stimulate children to explore voluntarily and build up knowledge through the process of observation, discussion and exploration; 2. Montessori Method – To train mathematical and logical thinking, and develop reading and writing skills and self-care ability; 3. Phonics-Made-Easy – To arouse children's interest in learning English, and articulate listening and pronunciation skills; 4. Life education – To manifest the love of Jesus Christ, foster good character and values. At the same time, children are taught according to abilities, special needs and development of children are also catered for.	
Assessment of children's learning experiences	
Continuous assessments; a profile on a child's learning is kept.	

School Characteristics	
School vision and mission	
Objectives: To provide quality holistic education and child care services so as to lay good foundation for children; to provide opportunities for creative expression so children release their potentials; to emphasize home-school collaboration. Partnership is formed with families for attainment of good teaching and learning outcomes; to promote child education strategies and methods	
Support to students	
The school provides "Student Support Teacher" and "School Social Workers" to support children and parents in need, such as counselling and referral service.
