Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>According to the "Guide to the Pre-primary Curriculum", we have designed a curriculum that caters to children's experiences, abilities and interests. We empower our children to learn through play in order to develop their individual thinking and creativity and enhance their self-care, cognitive and problem-solving skills.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>With theme-based teaching and project-based learning approaches, interesting games, integrated curriculum and multiple environments, we inspire children's learning motivation to develop their knowledge, skills and attitudes. Professional teachers are engaged to organize English and Mandarin activities to provide children with more opportunities for exposure to different languages.</p>	
Assessment of children's learning experiences	
<p>Children's learning portfolios – assessment of theme-based learning, continuous observation and assessment, assessment of child development, computer system.</p>	

School Characteristics	
School vision and mission	
<p>We emphasize a student-based approach, students are able to develop knowledge, skill, attitudes and independent thinking ability. We aim to empower our children to grow into active learners, skilled communicators, effective doers, innovators.</p>	
Support to students	
<p>New Students Adaption Period; Extended school service time to ensure students are taken care of safely and dual working parents can focus on their work without worries; Donation services of school uniforms and textbooks to help poor families. Integrated program to provide professional support for students with special needs.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.</p>	
Support to students with special needs
